

THANK YOU FOR YOUR SUPPORT!

LCRSP staff would like to send a sincere **THANKS** to all of our participants, parents, and community members who voiced their opinions and concerns to the City Council in the recent weeks. Due to your support, we have been given the opportunity to show the City that we can run an efficient and quality program that is self sustaining. The park has been funded through September 30, 2011. With the recent addition of the Pro Shop we are getting closer to reaching our \$200,000 revenue target that would keep the park staffed the entire year. Through this summer, we will be looking at ways to provide an even higher level of service, secure sponsorships, and continue to build our user base showing the City that LCRSP should be a staffed facility. We as a team are looking forward to a huge and fun summer and send a huge thanks for your continued support.

Contact us at **408.794.7524** for any questions or concerns.

SAVE OUR SKATE PARK

In an effort to keep California's largest skate park staffed and unaffected by budget cuts, the City of San Jose has given LCRSP until September 30th to show projected revenue that would reach our \$200,000 revenue target. This target can be reached through admissions, retail sales, donations, and sponsorships. The addition of the Pro Shop has helped but we need continuing support to remain staffed throughout the year. Any park sponsorships and/or donations will be considered and greatly appreciated. We are looking to have a community meeting at LCRSP on August 17, 2011 at 7:30p.m. to bring up ideas on how to remain staffed throughout the year.
